

# Community Sponsorship Program

Become a **2025 Howe Library Community Sponsor** and join other civic-minded businesses that value the work of local libraries.

Businesses help fund core library services that benefit Upper Valley residents and visitors. With more than 78,000 visitors last year, the Howe Library is the most-visited town building in Hanover.

As a **Community Sponsor**, you'll enjoy year-long exposure to more than **6,700 library card holders** who also meet and shop at local businesses. Check out the adjacent array of benefits and choose the sponsorship level that best serves your business needs.
