

Community Sponsorship Program

Become a 2026 Howe Library Community Sponsor! Join an established network of civic-minded businesses that value and support the vital role of your local library.

As a Community Sponsor, your business helps fund essential library services that benefit thousands of Upper Valley residents and visitors each year.

With over 78,000 annual visitors, Howe Library is the most-visited Town building in Hanover—a hub for learning, connection, and community.

In return, your business will receive year-round visibility among our 7,000 library card-holders, most of whom shop and work locally. Explore the sponsorship levels outlined here and choose the option that best aligns with your business goals.

Make a difference in the lives of our users and help us continue to offer dynamic programs, resources, and events.
